9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

SCENARIO: 32 year old male and 23 year old female, live with 32 year old male's mother. 32 year old male has a child from a previous relationship and his parental rights were terminated and the 32 year old male's mother adopted the child (her biological grandchild). 32 year old male and 23 year old female purchase and prepare together, and separately from 32 year old male's mother and the child.

QUESTION: Does the biological relationship between the 32 year old male and his son mean that they all must be part of the same CalFresh household, despite the fact that they P&P separately? Or does the termination of parental rights mean they can be considered unrelated for HH composition purposes?

10. REQUESTOR'S PROPOSED ANSWER:

Termination of parental rights means that the 32 year old male and his biological son are legally unrelated and the child does not need to be included in the 32 year old male's CalFresh household.

(ANSWER BASED ON ABOVE REFERENCES)

11. STATE POLICY RESPONSE (CFPB USE ONLY):

Because the 32 year old male has terminated his parental rights, the child now legally belongs to the grandmother and is under her parental control consistent with MPP Section 63-402.141. The 32 year old male and his biological son are legally unrelated and the child does not need to be included in the 32 year old male's CalFresh household. Separate household status can be granted to the 32 year old male and his wife so long as they purchase and prepare separately from the grandmother and her adopted son.
